Education Policy

In order to realize the educational goals of this school, we will endeavor to:

- Raise conscientious, self-motivated students who have clear goals
- Maintain a supportive, friendly environment and encourage positive interpersonal relationships
- Teach fundamental life skills, foster self-reliance, and instill the value of hard work
- Cooperate with families and the community to encourage student health and wellbeing

Educational Objectives

Using the educational policy above as a guideline, we strive to raise students who possess a balance of knowledge, virtue, health, generosity, and academic ability. Our aim is to encourage the growth of proactive students who:

- Respect all life
- Innovate while still observing tradition
- Appreciate the value of gratitude and cooperation

School Objectives

- Our school should be a cheerful, dynamic place where every student is valued
- Students should always feel safe and supported
- Our school should walk in step with the community and earn the trust of parents and the public

Student Objectives

- Students should follow the *Kanazawa Children's Kagayaki Declaration*
- Students should be friendly, on time, and strive to improve the world around them
- Students should work hard toward their goals and take responsibility for their own actions

Instructor Objectives

- Teachers should be passionate about each and every student's growth
- Teachers should strive for self-improvement, take pride in their roles as professionals, and be strong leaders
- Teachers should be responsible, ethical, and generous
